

Round River Conservation Studies
Costa Rica Conservation Program

Student Acceptance of Responsibility

- I have read through this Information Packet completely.
- I understand what paperwork and payment requirements I must adhere to, and that a failure to do so may result in my inability to participate on this program.
- I understand that I should not book my flights until program dates and enrollment has been finalized, and confirmed by Round River. I understand Round River will contact me when it is okay to book my flights.
- I understand that my flights may be cancelled or changed by the airline, and that this is out of Round River's control or responsibilities.
- I understand that if my flights are cancelled or delayed, I may need to spend the night enroute to San José, Costa Rica, and that Round River will do their best to assist with arranging lodging if this is the case. I understand that I am responsible for payment of this lodging if it is necessary.
- I understand that my luggage may be delayed or lost, and that this is beyond Round River's control.
- I understand that I am responsible for requesting an official transcript from Westminster College after the program to receive transfer credits for the coursework.
- I understand that Westminster College provides accreditation for Round River but is not responsible for providing support during the program and should not be contacted for any student travel related issues.
- I understand that I can contact Doug Milek or Susie Dain-Owens at any time to discuss anything in this Information Packet.
